

PLATAFORMA ARTICULADA DIÉSEL **JAC** FORKLIFT HZ 160RT/ 160JRT

| Model                                        | HZ 160RT/160JRT            |
|----------------------------------------------|----------------------------|
| Dimension                                    |                            |
| Max. Working Height                          | 16m                        |
| Max. Platform Height                         | 14m                        |
| Max. Outreach                                | 8.19/8.4m                  |
| Max. Up and Over Clearance                   | 7.09/7.71m                 |
| A Length (stowed)                            | 6.14/6.87m                 |
| B Width (stowed)                             | 2m                         |
| C Height (stowed)                            | 2.3m                       |
| D Wheelbase                                  | 2m                         |
| Ground Clearance                             | 0.36m                      |
| Platform Size                                | 1.8×0.76×1.17m             |
| Performance                                  |                            |
| Lift Capacity                                | 230kg                      |
| Turntable Rotation                           | 360°non-continuous         |
| Platform Rotation                            | 0/180°                     |
| Drive Speed (Stowed)                         | 4.8km/h                    |
| Drive Speed (Raised)                         | 1km/h                      |
| Gradeability                                 | 30%/45%(4WD)               |
| Turing Radius (Inside)                       | 1.7m                       |
| Turing Radius (Outside)                      | 4m                         |
| Turntable Tailswing                          | 0                          |
| Max. Tilt Angle(front to back/side to side)  | 5°/3°                      |
| Drive wheels number x Steering wheels number | 4×2                        |
| Tire Specification/ Type                     | 33*12-20(solid tire)       |
| Power                                        |                            |
| Power Source                                 | YCF3050-T423 Yuchai/36.8kW |
|                                              | DC12V                      |
| Hydraulic Tank Capacity                      | 70L                        |
| Diesel Fuel Tank Capacity                    | 65L                        |
| Weight                                       |                            |
| Total Weight                                 | 6320/6350kg                |
